December 2018

Dear Parent/Carer

Important Year 13 Dates

The majority of UCAS applications are now complete but the final deadline is Tuesday 15 January 2018. We have encouraged all students to complete their form before the Christmas break in order to guarantee that the reference and completed application can be sent to meet this deadline. Students can make an application after this date, but UCAS and the Universities will not be able to guarantee the full availability of courses. Continued support shall be given to those students intending to apply for a job or an apprenticeship, including an opportunity to attend the National Apprenticeship Event in Milton Keynes in March 2018.

You have previously received details that the Year 13 Trial Exams will take place from (and including) Monday 7 January 2018 until Friday 18 January 2018. Please note that students are not expected to attend lessons, during the Trial Exam period **unless** other arrangements have been made between students and their subject teachers (for example, Mr Makamba has communicated with BTEC students about attendance at BTEC Business lessons). The Sixth Form centre will be available for Year 13 students to use as a study base but students must sign in using the Vericool system. Normal lessons will resume on Monday 21 January.

The results of the trial exams will be sent home on Tuesday 29 January and this is followed by a year 13 Parents' Consultation evening on Wednesday 30 January 2018.

Thank you for your continuing support and wishing you a Happy Christmas and New Year from the Key Stage 5 team.

Yours sincerely

Mrs N Andrews
Head of Sixth Form

Dr D Cullen
Head of Year 13
