

6 September 2018

Dear Parents/Carers

We write to welcome you and your son/daughter to the new academic year at the St Neots Sixth Form Centre and to wish your child every success with their Year 13 courses and preparation for life after Sixth Form. The A level results this year were excellent and our students thoroughly deserved the success they achieved.

We want to continue to work together with you this year to ensure that your son/daughter achieves their goals. This year is an important milestone for Year 13 students: not only are they completing their courses but they are also planning their next steps.

We shall continue to offer individual advice and guidance through mentoring as well as information presentations throughout Year 13 and beyond. Increasingly students will want to be independent and make their own decisions and choices but they will still need advice and guidance from parents and teachers.

Year 13 students will return to school for an assembly at 8.45am on Monday the 10th September in the New Hall. Every year 13 student is then required to be in all of the morning registrations for the rest of that week. During the registration time we will be checking the new timetables and choosing which day is each students mentoring day with their form tutor.

In order to help you support your son/daughter through Year 13 we will be hosting a 'Now they are in Year 13' Information Evening on Thursday 13 September. At this event you will receive valuable information about the year ahead and have an opportunity to ask questions. The presentation will commence at 6:30 pm and will finish by 7:30 pm. There will be an opportunity to speak individually to members of the Key Stage 5 team after the presentation.

We hope that you will be able to attend this evening which we are offering in response to feedback from parents.

Best wishes for the new academic year.

Yours faithfully

Dr D Cullen
Head of Year 13

Mrs N Andrews
Head of 16-19
