

18 June 2018

Dear Student

Year 12 September 2018 entry – Transition Day – Tuesday 10 July

We hope that your GCSE exams have gone well and that you are now looking forward to the Year 11 prom. The purpose of this letter is to remind you that there will be a Transition Day on Tuesday 10 July for those students who are interested in joining Year 12 at St Neots Sixth Form Centre in September 2018.

The day will provide an opportunity to meet with subject teachers who will explain the tasks you shall complete over the summer in preparation for the start of Year 12. The sessions will cover all our level 3 A level and BTEC courses and our Access to A level programme. You will also be given a pack of information about St Neots Sixth Form to help you prepare for the start of term.

The day starts with registration in the New Hall at 8.45am where we will collect your completed registration forms. This will be followed by a short presentation from 9:00 am in the Ritchie Hall. Do not worry if you are new to this site as there will be guides available throughout the day to help you find your way around and to give you a tour if you would like one. We will be available to greet you from 8:30 am at the Sixth Form Centre.

The Sixth Form Centre will be open throughout the day and there is a small café that accepts cash only.

As we will explain, the purpose of the Summer Transition tasks is to check that you definitely understand what the course involves before you commit to it; to introduce you to the importance of independent study and to give your teachers an early indication of your suitability for the course. If you have not attempted the tasks when you start Year 12 without good reason then it is likely that you will not be able to continue with that course. After the Transition Day all these materials will be available on the St Neots Sixth Form website snsfc.org.uk.

Enclosed with this letter you will find: a schedule for the day, a map of the Academy with the locations of the transition lessons highlighted and a registration form. Please print the registration form, complete it and bring it with you on Tuesday 10 July. In addition, we have enclosed a copy of the options block and the subjects that you told us you would like to study. Don't worry if you have changed your mind, simply attend the alternative class that you are interested in (bearing in mind the APS and subjects requirements.)

Please do not hesitate to contact us if you would like further information or clarification. We can be contacted via email at sixthform@snlp.org.uk or by phone on 01480 223373.

We look forward to seeing you on Tuesday 10 July.

Yours sincerely

Mr J Elliott
Head of Year 12

Mrs N Andrews
Head of Sixth Form

Mr M Taylor
Director of St. Neots Sixth Form
